NRIs at IGF 2022

- NRIs responded to the IGF 2022 Call for issues. Priorities mirror the last year's priorities (89 NRIs agendas analyzed).
- NRIs in a process of holistically looking at the priorities to determine issue-focused topics for NRIs sessions
- Individually, NRIs experimenting with the processes (*African IGF new MAG procedures, Canadian IGF Talks, EuroDIG experimenting with programme development via subject matter experts suggesting focus areas etc.*).
- IGF-NRIs capacity development collaboration in 2022 aimed for.

NRIs 2022 work plan endorsed as a living document
