

## IGF 2017 Workshop Report

Session Title	Open Forum Cuba. Use of the Internet in educational projects
Date	December 20, 2017
Time	12.30 – 1.30pm
Session Organizer	Mr. Fernando Ortega Cabrera
Chair/Moderator	Mr. MSc. Dayron Pérez Alonso
Rapporteur/Notetaker	
List of Speakers and their institutional affiliations	Mr. Fernando Ortega Cabrera, Ministry of Education of Cuba Mr. MSc. Dayron Pérez Alonso, Ministry of Education of Cuba
Key Issues raised (1 sentence per issue):	Cuban educational system. Use of technology and Internet to work in educational projects. New perspectives of the Ministry of Education to connect all students and teachers to the internet.
If there were presentations during the session, please provide a 1-paragraph summary for each Presentation	
Please describe the Discussions that took place during the workshop session: (3 paragraphs)	In the session we present the results of the new version of Juntando Aulas collaborative project in which we celebrate the world environment day with a videoconference where the students made a role play in which everyone prepared a speech representing different countries of the world as a UN summit. The participants were interested on how the platform was made, how was the final activity and how they can inscribe its educational center in the next edition.
Please describe any Participant suggestions regarding the way forward/ potential next steps /key takeaways: (3 paragraphs)	Because of different organizational problems we had to make our presentation in a remote way and the different changes were not publish in the event program and because of it we have a few participants with no suggestions.
